EMPOWERING FUTURES

Since 1894

Provider Access Policy

Myerscough College & University Centre is committed to ensuring that students are aware of the full range of career options available to them. We encourage students to explore education and training options including, but not limited to -

- Academic qualification pathways
- Technical qualification pathways
- Apprenticeships

We welcome providers to work with us in sharing information on their provision, with our students.

Provider Access Requests

A provider wishing to request access should contact Victoria Wilding, the Careers Manager and Operational Careers Lead at vwilding@myerscough.ac.uk
